National Workshop on Configuration and Management of Digital Library Collections using DSpace

25th - 29th July, 2016

Information and Library Network Centre
(An Autonomous Inter-University Centre of UGC)
About INFLIBNET

The Information and Library Network (INFLIBNET) is an autonomous Inter-University Centre of the University Grants Commission (UGC). The objectives of the Centre are to modernize libraries and information centres for information transfer and access, to support scholarship, learning and academic pursuit by establishing a national network of libraries and information centres in universities, institutions of higher learning and R & D institutions in India. Creation of national union database (IndCat), National Repository of Indian Theses and Dissertations (Shodhganga) and Synopses/ Research in progress details (Shodhgangotri), development of an integrated library management software (SOUL 2.0), human resource development, on-site training, providing bibliographic information services, extending technical help and guidance from time to time to academic libraries in automation and networking are some of the major activities of the Centre. The Centre provides access to e-resources under UGC-Infonet Digital Library Consortium. The Centre also provides access to 7500+ e-journals and 97,000+ e-books to the colleges in India though programme entitled "National Library and Information Services Infrastructure for Scholarly Content (N-LIST)". Based on the recommendation of an Expert Committee, the MHRD has formed e-Shodh Sindhu merging three consortia initiatives, namely UGC-INFONET Digital Library Consortium, NLIST and INDEST-AICTE Consortium. The e-Shodh Sindhu will continue to provide current as well as archival access to more than 15,000 core and peer-reviewed journals and a number of bibliographic, citation and factual databases.

Aims and Objectives of the Workshop

This workshop is intended to equip participants with skills for developing and managing their own digital collection. There will be lectures as well as intensive hands-on Training sessions by experts in the field. Thus it will provide both theoretical base and practical skill to the participants.

Objectives: To create awareness in new developments in the field of Library and Information Science like managing information sources in a digital environment, building institutional repository, networking and social media, management of e-resources, latest in development and trends in LIS with glimpse on Library Automation along with hands-on-training.

Areas Covered

The following areas will be covered in the workshop and hands on practical training will be given in these areas:

- IR Using DSpace and Live Installation
- Working with Linux: Basic commands.
- Institutional Repositories using Dspace
- Metadata Standards for Digital Collection
- Digital collection building using DSpace: Installation & Configuration
- Digital collection building using DSpace: Administration & Customization
- Digital collection building using DSpace: Workflow & Submissions
The resource persons are eminent IT/Computer/LIS Scientists/professionals and experts of the country.

Library and Information professionals, System and Network Administrators, Information Scientists and others with similar responsibilities with exposure to network and information security. A maximum of 25-30 candidates will be selected for the workshop on First-Come-First-Serve basis.

Pre-requisite: Participants should be conversant with basic ICT terminologies, should possess basic knowledge and experience with digitization, library automation will be preferred

Five Days

The Training programme will be conducted at Information and Library Network Centre, An IUC of University Grants Commission, Infocity, Gandhinagar-382007, Gujarat, India

Without Accommodation- Rs. 5700/- (Rupees Five Thousand only)

With Accommodation per person- Rs. 7500/- (Rupees Seven Thousand only)

It covers the cost of workshop kit containing training materials, breakfast, working lunch, two time tea & snacks during the sessions.
