ABOUT INFLIBNET

Information and Library Network (INFLIBNET) is an autonomous Inter-University Centre of the University Grants Commission (UGC). The objectives of the Centre are to modernize libraries and information centres for information transfer and access, to support scholarship, learning and academic pursuit by establishing a national network of libraries and information centres in universities, institutions of higher learning and R & D institutions in India. Creation of national union database (IndCat), development of an integrated library management software (SOUL), human resource development, on-site training, providing bibliographic information services, extending technical help and guidance from time to time to academic libraries in automation and networking are some of the major activities of the Centre. The Centre has released new version SOUL2.0 for library automation & networking. The Centre provides access to e-resources and internet connectivity to universities under the UGC-Infonet connectivity programme and UGC-Infonet Digital Library Consortium.

TEZPUR UNIVERSITY

Tezpur University is fast emerging as a premier institution of higher education and research. The university was established by an Act of Parliament in 1994. The objectives of this central university as envisaged in the statutes are to strive to offer employment oriented & interdisciplinary courses to meet the regional to national aspirations, development of the state of Assam, offer courses and promote research in areas which are of special and direct relevance to the region and in the emerging areas in science and technology.

CENTRAL LIBRARY, TEZPUR UNIVERSITY

The Central Library, Tezpur University was established in 1994 along with the establishment of the University. The library holds its goal to achieve the height as an ideal University library in the region as well as in the country. The library holds 45000 volumes of print and subscribed 220 titles of current journals (online 33, print 165, print + online 22), 749 titles of e-Journals, two databases and one knowledge portal through INDEST-AICTE Consortium and other publishers. The UGC-Infonet Consortia of INFLIBNET Center is providing access facility to 5888 e-Journals, eight databases and one gateway portal. Library users can access book database, theses database, journal database, e-Journals and other e-resources from any terminal within the University Campus. The library also conducted CDS/ISIS training course for working LIS professionals.

PLANNER-2010

Promotion of Library Automation and Networking in North Eastern Region (PLANNER) is a special convention organized by INFLIBNET in collaboration with different universities of North Eastern states to promote library automation and networking. Earlier conventions held at Shillong, Imphal, Silcher, Aizwal, Guwahati, and Dimapur were organized on various themes related to library automation and networking. PLANNER 2010 is 7th PLANNER in the series. This convention will provide a forum to LIS professionals to discuss and interact on the new challenges & dynamism for re-defining the Library and Information Services to meet the demands of the end users in the digital era.

The PLANNER- 2010 will be held in collaboration with Tezpur University during 18-20 February 2010 in Tezpur University, Assam.

OBJECTIVES

The main objectives of PLANNER are as follows:

- Promote library automation and networking in North East India.
- Offer opportunity to LIS professionals of NE India to expand their horizon and extend professional expertise.
- Bring together LIS and computer professionals, academicians, publishers, subject experts from NE India as well as from other parts of country and neighboring countries.
- Discuss and deliberate on latest trends in LIS.
