## निदेशक की कलम से From Director's Desk

### Dear Readers

It is with great pleasure that I present the quarterly newsletter of the INFLIBNET Centre for the period of July to September 2025. This quarter highlights our commitment and continued service to India's higher education and research ecosystem.

During the period, the "One Nation One Subscription" (ONOS) initiative continues to gain momentum. The Centre continued to play an active role in supporting its national reach by conducting a series of state-wise awareness programmes, webinars, and collaborative sessions with publishers. The main purpose of these programs was to enhance awareness of ONOS, improve user skills and institutional preparedness, and promote effective access to and use of scholarly e-resources nationwide.

During the period, the 'India Rankings 2025' under NIRF, the 10<sup>th</sup> exercise of NIRF was successfully executed by the INFLIBNET Centre. Hon. Education Minister, Sh. Dharmendra Pradhan Ji released the 'India Rankings 2025' on 04<sup>th</sup> September 2025, at Bharat Mandapam, New Delhi, and the contributions of the Centre were duly acknowledged during the event.

The quarter also witnessed the launch of our two significant initiatives. On the occasion of National Librarian's Day, the Centre launched LIB-VAHINI – Library and Information Bridge: Virtual Access Hub for Innovation, Networking, and Integration. LIB-VAHINI, a dedicated platform for Library and Information Science professionals, researchers, and academicians in the country, aims to foster collaboration, professional visibility, skill development, and recognition. The Centre also launched AssamCat, a subset of IndCat, during the ONOS and INFLIBNET Services awareness programme at the National Law University and Judicial Academy, Assam.

Further, the Centre has continued to guide University Coordinators on the effective implementation of Shodhganga and ShodhShuddhi/PDS, ensuring that the philosophy of open access and rigorous plagiarism checks & prevention, as guided by UGC policies, are embedded at the institutional level. A major highlight of the quarter was the specialized collaborative training programme on Research Ethics and Academic Integrity: Leveraging Digital Tools, organized in collaboration with the Inter-University Centre for Teacher Education, Banaras Hindu University, Varanasi.

During the quarter, the Centre continued its focused efforts to strengthen institutional capacities through a series of training programmes, workshops, webinars, and awareness initiatives. Along with regular training programmes on SOUL 3.0: Installation and Operations at the Centre, the Centre also extended its training outreach through the INFLIBNET Regional Training Programme on Library Automation (IRTPLA) at the District Library, Hisar, Department of Higher Education, Haryana, and an in-house SOUL 3.0 programme at Shri Lal Bahadur Shastri National Sanskrit University, New Delhi. Further, a specialized program on SOUL 3.0: Installation and Operations for the Directorate of Libraries, Gujarat, was organized in Gujarati language, ensuring effective local outreach.

The signing of new MoUs by universities for Shodh-Chakra during this period is particularly encouraging and points towards greater adoption of structured research lifecycle support systems in the country. Further, during the period, the INFLIBNET Centre officially signed an MoU with 38 State Public Universities and Higher Education Institutions of Uttar Pradesh, on 22<sup>nd</sup> July 2025. The MoU signing ceremony took place at the Atal Bihari Vajpayee Scientific Convention Centre, King George's Medical University (KGMU), Lucknow, under the esteemed chairmanship of Smt. Anandiben Patel, Hon'ble Governor of Uttar Pradesh. This MoU signing marks a significant step toward strengthening academic and research infrastructure across all public universities and higher education institutions in Uttar Pradesh by facilitating seamless access to INFLIBNET's services and resources.

I warmly welcome the new colleagues who joined the Centre during this quarter and congratulate all staff members for their contributions to various academic, technical, administrative, and outreach activities.

As we move ahead, the Centre remains committed to advancing equitable access to e-resources, research integrity, and digital transformation in higher education. I hope this issue offers our readers a meaningful overview of the Centre's activities and inspires further collaboration and engagement with the Centre. Thank you!

(Prof. Devika P. Madalli)

# INFLIBNET Online Training Programmes/Workshops

## 176<sup>th</sup> Five Days Offline Training Programme on “SOUL 3.0: Installation and Operations”, INFLIBNET Centre, Gandhinagar, 21<sup>st</sup>-25<sup>th</sup> July 2025

The 176<sup>th</sup> five-day training programme on “SOUL 3.0: Installation and Operations” was organized from 21st to 25th July 2025, at the INFLIBNET Centre, Gandhinagar. Sh. Manoj Kumar K., Scientist-F (CS), INFLIBNET Centre, inaugurated the training programme. Mrs. Shivani Thakur, Scientist-B (LS), extended a warm welcome to the dignitaries and participants. Technical Coordinator Sh. Yatrik Patel, Scientist-E (CS), briefed the participants about the training. Mrs. Hema Cholin, Scientist-B (LS), and Mrs. Roshni Yadav, STO-I (LS), were the course coordinator and joint coordinator, respectively.

During the programme, the Centre arranged a local educational tour in Gandhinagar and

Ahmedabad for the participants. On the final day of the training programme, a quiz was conducted by the technical coordinators, engaging all participants and culminating in a productive technical discussion. In the valedictory session, the participants expressed their appreciation and satisfaction through their positive feedback about the programme. Sh. Yatrik Patel, Scientist-E (CS), and Dr. H. G. Hosamani, Ex. Scientist-E (LS) & Consultant at the INFLIBNET Centre distributed certificates to participants. Sh. Patel, sharing his insights, offered continuous & timely support to the SOUL user community. The programme ended with a vote of thanks by Mrs. Hema Cholin, Scientist- B (LS). A total of 19 participants attended the training programme.

## Five-Day Specialized Training Programme on Research Ethics and Academic Integrity: Leveraging Digital Tools, in collaboration with Inter-University Centre for Teacher Education (IUCTE), BHU, Varanasi, 18<sup>th</sup> - 22<sup>nd</sup> August 2025

The INFLIBNET Centre organized a five-day short-term specialized training programme, titled “Research Ethics and Academic Integrity: Leveraging Digital Tools”, at the Inter-University Centre for Teacher Education (IUCTE), BHU, Varanasi, from 18<sup>th</sup> to 22<sup>nd</sup> August 2025, jointly organized by IUCTE, BHU, Varanasi, and the INFLIBNET Centre, Gandhinagar, Gujarat. Prof. Devika P. Madalli, Director, INFLIBNET Centre, was the Chief Guest for the inaugural session, and the session was presided over by Prof. Prem Narayan Singh, Director, IUCTE. 48 scholars representing 11 Indian states attended the programme.

In her inaugural address, Prof. Devika P. Madalli emphasized that while the volume of research output in India is substantial, there is a pressing need to focus more on its quality. She stressed that the research publications' real impact and scholarly merit must be ensured. Prof. Madalli stated that the use of detection tools or “purification” mechanisms in research can significantly improve its quality. She asserted that research integrity should not be treated merely as a formality, but rather as an integral part of our thought processes, teaching methodologies, and the broader academic community. She further emphasized that ethics and honesty are deeply embedded in India’s cultural values and heritage, and they form the foundation of the nation’s prosperity.

Delivering the presidential address, Prof. Prem Narayan Singh welcomed all participants and the Chief Guest. He remarked that research should not be confined to policies, codes of conduct, and norms, but must be rooted in ethics. He emphasized that ethics should not remain a theoretical concept but must be practiced in everyday academic life. Only when ethics is established as a core value with peers and the entire academic and research community naturally adheres to it.

Prof. Ashish Srivastava, Dean (Academics and Research), introduced the programme by referencing two significant reports, the QS Rankings and the Kothari Commission Report. He noted that the current times call for serious reflection. Prof. Srivastava emphasized that

external regulation alone is no longer sufficient; every researcher and educator must cultivate personal integrity and ethical responsibility.

In the subsequent sessions, Sh. Manoj Kumar K., Scientist-F (CS), INFLIBNET Centre, delivered lectures on “Introduction to Research, Ethics, and Academic Integrity” and “Research Ethics and Integrity: UGC Regulations and National/International Plagiarism Guidelines.” He stated that integrity is not merely about honesty; it is the soul of credibility in research and academic work. He explained that only when truthfulness and transparency are placed at the center of research can its real impact reach society and the nation.

The five-day training programme witnessed participation from 48 scholars representing 11 states, including Bihar, Delhi, Gujarat, Jharkhand, Madhya Pradesh, Maharashtra, Odisha, Rajasthan, and Uttar Pradesh, along with a few faculty members and non-teaching staff from the IUCTE-BHU. The programme was jointly coordinated by Sh. Chakradhar Rana, Assistant Librarian, IUCTE, and Sh. Manoj Kumar K, Scientist-F (CS), INFLIBNET Centre.

The programme was designed to foster a deep understanding of global academic and research ethics among participants, promote academic honesty and a responsible research culture, interpret international and institutional ethical guidelines, and facilitate their effective implementation. It also aims to equip participants using digital tools to prevent plagiarism.

## Current Status of INFLIBNET Projects

### National Institutional Ranking Framework (NIRF)

The INFLIBNET Centre executed the 10<sup>th</sup> exercise of NIRF, i.e., India Rankings 2025 of HEIs in India. The Centre has developed several modules of NIRF since its inception in 2016, such as a data capturing system, feedback system, ranking module, and research data incorporation. Hon. Education Minister, Sh. Dharmendra Pradhan Ji released the 'IndiaRankings 2025' under NIRF on 04th September 2025, at Bharat Mandapam, New Delhi. The NIRF Team at the Centre attended the release ceremony. The Centre's support and contribution to NIRF – India Rankings were duly acknowledged during the event.

## VIDWAN, Indian Research Information Network System (IRINS), SheRNI, and LIB-VAHINI

The VIDWAN database contains detailed profiles of more than 3,23,332 faculty members as of the reported period. IRINS, the web-based Research Information Management (RIM) service provided to higher education institutions in India by the INFLIBNET Centre, facilitates academics, R&D organisations, faculty members, and scientists to collect, curate, and showcase scholarly communication activities and provides an opportunity to create a scholarly network. The INFLIBNET Centre has created 1,720 IRINS instances for institutions until the reported period, including 100 IRINS instances created during the period under report. IRINS has connected 2,55,347 faculty members through this project. The project retrieved 33.80 lakhs+ (33,80,073) publications' metadata from various sources and received 352 lakhs+ (3,52,83,956) citations.

**SheRNI:** She Research Network in India, the expert-profile network that connects and leverages the knowledge, skills, and expertise of women across various fields, currently hosts over 1,14,000 expert profiles.

**LIB-VAHINI,** the dedicated digital platform for Library and Information Science (LIS) professionals, was launched by the INFLIBNET Centre on 12<sup>th</sup> August 2025. It was introduced on National Librarian's Day to provide a national-level repository for showcasing LIS professionals' profiles, achievements, and collaboration. Currently, it hosts a network of over 2,500+ LIS professionals.

## Shodh-Chakra: A Gateway to Researchers for Resources

Shodh-Chakra is an initiative of the INFLIBNET Centre, under the guidance of the UGC, to support the academic community throughout their research life cycle. Shodh-Chakra provides a unique space for the researcher, guide/supervisor, and university to manage the research lifecycle of a research scholar. The portal integrates

millions of resources, such as full-text theses, and offers essential tools for researchers throughout the research process.

During the reported period, an online meeting of UGC Secretary, Prof. Manish R. Joshi, Dr. Jitendra Kumar Tripathi, Joint Secretary, UGC, and Prof. Devika Madalli, Director INFLIBNET, with Vice-Chancellors, Deans of Research, Directors, and IQAC Coordinators of Universities, was held to discuss effective use of the Shodh-Chakra Portal for research lifecycle management. The meeting aimed to guide the academic community in managing research profiles, storing and organising research data, and ensuring smooth workflow throughout the research life cycle.

**Figure-13: Glimpses from the Online Meeting on Shodh-Chakra**

Till the reported period, a total of 210 universities have signed a Memorandum of Understanding (MoU) with the INFLIBNET Centre to use Shodh-Chakra, including 43 that signed during the reported period. The details of 43 universities are provided below:
