Sr. No.	NIT Clause	Query/ Clarifications for	Page No.	Amendmant/ Clarification / By Centre
01.	1.5	EMD for Government of India PSU is normally waived off. In earlier bid with Inflibnet the same has not been paid and the same was waived off. We hope the same will be followed this time also.	06	All rules will be applied for EMD as per GFR 2017. For any exemptions etc. vendor/service provider need to submit relevant documents.
02.	1.6	PBG 5% of the order value is also waived off for Govt. of India PSU, we expect the same in this case also.	06	All rules will be applied as per GFR 2017. For any exemptions etc. vendor/service provider need to submit relevant documents.
03.	1.9	Payment of the services will be made quarterly advance.	07	As per tender terms no advance payment will be made.
04.	15	Only MeITy em-panned cloud service provider is eligible for this tender?	15	Yes, We have clearly mentioned in the page No. 15 as it is a mandatory requirement CSP should be empanelled for public cloud, virtual private cloud and Government Community Cloud by Meity http://meity.gov.in/content/gi-cloud-meghraj
05.	13	The option to avoid excess cloud usage data, there is a provision of dedicated internet lease line from cloud to customer own premises is available to avoid additional cloud data charges. Any provision require for this services?	13	We have already mentioned about only DR of the CSP Primary DC, Backup and DR locations should be connected by NKN (National knowledge network) as desirable in the page No. 13. Since bidder has these features do mention it and it may not be mandatory and the access of the server not only restricted with INFLIBNET Centre.
